A Gift of the Heart

On July 1 and 2, *A Gift of the Heart* and Auburn Grace Community Church along with the Placer Pops Chorale and the Gift of the Heart Orchestra, directed by Lorin Miller, will be presenting a free community concert at the Auburn Library Garden Theater. This will be the seventh season for "Homeland", a concert celebrating the heritage of our great nation. Local vendors will provide an array of delectable foods and beverages during this open air evening of powerful and inspiring music. For the last six years this concert has filled the venue to capacity both evenings, and the crowd response was phenomenal!

This year I am confident the grounds will be packed once again for both evening performances. Preparations have been underway for area publicity with newspaper ads, banners, posters and mailing flyers.

I would like to give you the opportunity to share in this exciting community event this year by becoming a Sponsor. We have several levels of Sponsorship available.

In this packet you will find information on Sponsorships and contact information. Thank you for considering a partnership in this wonderful event and I look forward to seeing you there!

Best regards,

Lorin Miller
