

Grace Park Prayer Guide

AMPHITHEATER

Imagine a place where we can host redemptive community music or drama events where families attend and hear about God's love for them. Imagine a beautiful wedding venue where God will be honored.

PRAY for those who will attend these events that God would reveal Himself to them and they would respond to His love and grace expressed through these events.

BOCCE BALL

Imagine a place where adults from our community can gather to enjoy some recreation and conversation; where our church people can also join in and develop relationships.

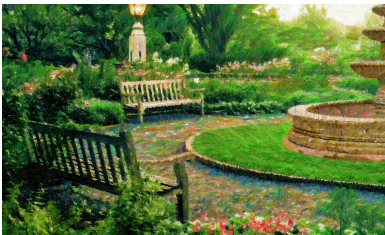

PRAY that God gives our church family a heart to relationally connect to other adults in our community and also come together for wholesome fun and fellowship.

PLAYGROUND

Imagine tons of community families utilizing this playground to spend time together. Imagine our church families using this venue to experience great family times while relationally connecting to families from our community.

PRAY that our church families will have a heart for unsaved families within our community and will use this space to connect with them.

PRAYER GARDEN

Imagine a beautiful and tranquil outdoor space to spend time with God. A place where you can come to seek His love or pray together with another believer; a place where unsaved people feel His presence and grace.

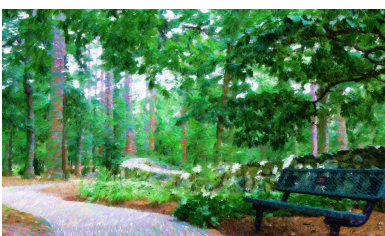

PRAY that those who come to this place will cry out to God and receive from Him His comfort and strength. Pray that many many prayers will be answered from this garden.

SPORTS FIELDS

Imagine a place where dozens of community families come each week to participate in athletics. These athletic events are managed and lead by our church. Imagine a place where we can help students and children to have fun, but then also share God's love with them.

PRAY that God will raise up coaches, referees, and volunteers from our church family who will see athletics as a bridge to relationally connect to community families.

WALKING PATH

Imagine a safe, beautiful, and fun place for Auburn adults to come and get needed exercise. A walking path that will have reminders of God's love and grace. A path to be shared with friends and loved ones.

PRAY for the people using this path that they will sense God's love for them. Pray that as they see the reminders of His goodness they will turn to Him for salvation and strength. Pray for the walking groups coming here that they will encourage each other and build friendships while using this path.
